account balance on 31 March 2021		£ 2586.01	

NOTES

- Due to Covid-19 restrictions, no physical branch meetings were held in the year 2020-21. Meetings took place online via Zoom, using a license provided by SOC HQ.
- Excluding the two £500 charitable donations, the branch made a 'profit' of £120.94.
- Net income from the Lothian Bird Report was £467.92; this figure includes report sales, licensing revenue from Publishers' Licensing Services, and printing costs of the 2018 report. Report sales were probably adversely affected by the Covid-19 lockdown.
