

# Where are the Geese and Swans?

Survey geese and swans in farmers' **fields** from **Sept to March**.  
 Record bird **numbers** (include waders if present) and whether **feeding** or **resting**.  
 We want to know exactly where the birds are and what they are doing.  
 Hand in forms by end of **March 2011** to: Where are the Geese? SOC, Waterstone House, Aberlady.
